Dear Madam,

First of all I wish you for holding the post of Mayor, Patna which you really deserve and people have long expectations from you. I am residing in West Patel Nagar in Jaya Arcade Apartment, near Ravi Chowk. This area lies in Ward no.7 represented by Sri Jai Prakash Sahni as Ward Commissioner. I have already spoken to him about this horrible condition of road and probably you were also informed about it through Mr. Prahlad Sharma (Vedagya ji) who is very close to me. This was also highlighted in newspaper Hindustan-Patna Live-edition dt. 3rd Aug 2017.

I shall be highly grateful for your action towards early repair of this road with proper street light. Presently it remains completely dark at night. You can well imagine the difficulties realised by all residents of this road. Even if there is some restrictions by the Court, as I have heard, road can be made motorable at least with proper street light without raising height of the road. Kindly ensure that problem will be solved by the end of this year by your personal intervention in the matter. Once again I request you to please look into it.
